

Beyond the Headlines

The *Beyond the Headlines* speaker series features eight speakers per quarter, each presenting an in-depth lecture about the most significant contemporary, and often controversial, issues in the news. Pulled from today's major headlines, our topics cover foreign policy, state and national politics, education, the economy, social justice issues, and more!

Enrollment for Fall Quarter opens on Friday, July 27, 2018. Enroll over the phone by calling registration at 310-825-9971 (press 1 at the first menu, 2 at the second menu).

Starting July 27: **Click here to enroll online (add the course to your cart & check out).**

Beyond the Headlines is returning to the Gayley Center for Fall 2018, located at 1145 Gayley Ave in Westwood.

Please note, due to UCLA Extension moving its administrative offices, classroom space is extremely limited during this transition. Fall quarter of Beyond the Headlines will have very limited seating (178 max). We plan to offer more seating in 2019 once more space becomes available. Thank you for your patience.
