Instructor-Led Courses

Our Instructor-Led program offers non-credit courses geared to those seeking a high quality and enjoyable adventure in learning. There are no tests, grades, or homework, though some courses include readings. OLLI's Instructor-Led courses are taught by the high-caliber instructors and guest speakers for which UCLA Extension is world renown. Our courses explore art, music, literature, history, science, languages, psychology, current events, and many other exciting fields.

Discussion Groups

Discussion groups are for members who want to ask questions, offer answers and share their knowledge in the classroom. Established instructors act as facilitators to create an environment in which participants explore subjects in an atmosphere of intellectual stimulation, creative self-expression, and socializing without the expectation of tests or grades. Depending on the nature of the course, there could be a modest amount of preparation before class begins and you may be called upon for your insights – members should be ready to participate!
