

How to Set Up your online “MyExtension” Account

Step 1: Visit www.uclaextension.edu and hover your mouse over the “Login” button on the top right. Then, click on “Student Login.”

The screenshot shows the UCLA Extension website. At the top, there is a navigation bar with the UCLA Extension logo and icons for Search, Contact, Calendar, Give, and Cart. Below this is a secondary navigation bar with links for Courses, Certificates, Student Services, Career Services, International Students, and About. The 'Log In' link is circled in red, and a dropdown menu is visible with options for Student Log In, Instructor Log In, and Canvas Log In. The main content area features a large banner with the text 'Take your future further. Thousands of open-enrollment courses.' Below the banner is a search section titled 'What do you want to learn?' with a search input field, a 'Get Started' button, and radio buttons for 'ONLINE', 'IN CLASS', and 'HYBRID'. At the bottom, there are three columns of text: 'Find Your Path', 'Learn anywhere', and 'Learn from experts'.
